

Post Secondary Research

Once you have explored a career area, it's time to think of which post secondary institution you would like to attend. Check out the post secondary options available to you by visiting:

<http://www.educationplanner.bc.ca>

- Go to the **Program Search** feature and click on **New Search**.
Be sure to read the **Who Offers What** overview carefully and thoroughly.
- Use the Education Planner filters to help narrow your searches.
- Use at least the **Field of Study** and the **Subject Area** filter options—then add more as you as need (i.e., Region, Credential Level, etc.)
- Choose at least one Program/Institution for your Post Secondary Education Plan.
- To clear selections and begin again—click on **New Search**.
- Important areas to look at:
 - Program Details
 - Program Admission Requirements
 - Program Overview—Key Points

Assignment:

1. Post-Secondary Education Plan

Using the Education Planner site, create an education plan for your career of choice. Check out as many schools as possible and complete an “**Education Plan**” for at least one school.

2. Reflection:

- What have you learned about your post-secondary education plans?
- What is your #1 choice for post-secondary training and why?
- What were you most surprised to discover about post-secondary training?
