### **Course Change Requests:**

Next year's Grades 10-12's have received their draft timetables for next year. Please note that timetables may be subject to change. Should students want to request changes, *Course Changes Request Forms* can be found outside of the Counselling Centre between [June 5 - 12](#). Completed *Course Change Request Forms* are to be returned to the box outside of the Counselling Centre. Forms are [due by June 12](#) after school.

All changes are made based on priority and are subject to space in classes. Students should attend their current classes so that counsellors can find them if needed. Please note that many classes are currently full.

In order to process students' course changes... fairly and efficiently, we ask that parents follow this process as well. We are unable to make changes via email or phone at this time. Thank you for your understanding.
