## Newsletter

June 2023

## Principal's Message

Congratulations to our 2023 graduating students. Our 146<sup>th</sup> graduating class will be the last group that attended school in the Fernwood campus prior to the renovation. This group demonstrated great leadership, caring, and poise through four unprecedented high school years. We wish you all the best in your futures.

Speaking of the Fernwood campus, we are preparing to move back to our fully renovated school at the end of January. We believe that the contractor will have completed all work and will sign the facility back over to the district by the end of the calendar year. While it will make for a busy semester change over, we are looking forward to the state-of-the-art amenities, as well as being able to add some much needed classroom space for our growing student population.

Returning students were given “draft” course schedules for next year. While some changes in class composition occur over the summer, most classes should stay stable. A refreshed schedule, along with some “startup” documents will be mailed in late August. Please note that

Instruction for requesting course changes is on the back of the timetables.

Please note that our school office will be close July 7<sup>th</sup> and reopen August 21<sup>st</sup>.

As we wrap up the year, we will be saying goodbye to a couple long standing staff members. Vice Principal Chris Koutougos, who has been with the school for seven years, will be moving to Esquimalt High School. Phil Pitre will be joining our school. Mr. Pitre is a well-respected Vice Principal in the district who has most recently been working at Mt. Doug Secondary. I would like to extend our congratulations to retiring teachers Frank Conibear and Kerry Krich. Mr. Conibear and Ms. Krich have been pillars of the Vic High community for many years. Their collective talents, commitment, and caring will be greatly missed.

We look forward to celebrating our graduating students and closing the school year safely and successfully. Wishing you all a wonderful summer break and looking forward to an exciting 2023-24 school year.

Take care,

*Aaron Parker*

## School Calendar for the 2023-2024 School Year

School Opens	September 5, 2023
National Day For Truth & Reconciliation (School Closed)	October 2, 2023
Thanksgiving Day (School Closed)	October 9, 2023
Parent Teacher Meetings (Alternative Bell Schedule)	October 26, 2023
Remembrance Day (School Closed)	November 13, 2023
Last day of school before Winter Vacation	December 22, 2023
School reopens after Winter Vacation	January 8, 2024
Family Day (Closed)	February 19, 2024
Parent Teacher Meetings (Alternate Bell Schedule)	March 13, 2024
Last day of school before Spring Vacation	March 15, 2024
Good Friday (School Closed)	March 29, 2024
Easter Monday (School Closed)	April 1, 2024
School reopens after Spring Vacation	April 3, 2024
District Orientation Afternoon (Alternate Bell Schedule)	May , 16, 2024
Victoria Day (School Closed)	May 20, 2024
Last day of school for students	June 27, 2024
Year-End Administrative Day (School Closing)	June 28, 2024

## Professional Development Days

## Student Leadership

What a whirlwind end to the school year for our Leadership team! Since April, Student Leadership has supported and run many initiatives around the school. With the return of so many of our well loved pre-COVID activities, it has been wonderful to see all the school spirit and excitement in our halls.

Our class kicked May off supporting our CLC teachers with the annual Capstone Showcases. Our team set up the foyer, and helped direct students to their showcase interviews. This is always a meaningful and inspiring night of celebration for our graduating students. We are grateful to our leadership team for their support to help this night run smoothly.

Just one night later, leadership planned and executed a very entertaining school dance. With over 150 tickets sold, the event was a resounding success. We are proud of the initiative our students took to organize ticket sales, decorate the gym (with professional lights), create a fun playlist, and ensure the night was safe and fun for everyone. Particular highlights of the evening included a live singing performance from Vic High's own Dani B, as well as an all Taylor Swift conga line (pictured right)! This was Vic High's first school dance in over five years!

In the community, students participated in and supported Victoria's annual Times Colonist 10K Run as race marshalls. We had over 20 students sign up to help guide runners at this event. We also had a strong Vic High presence as this year's Hike for Hospice where our team volunteered their talents to help with face painting. We are proud of our leadership students for being such positive Vic High ambassadors in our community and are grateful for all the time they give up on their weekends to give back.

Every year, our Leadership team supports school staff with Grade 8 Transition Day. Our students tour our incoming grade 9's around the school. This is always a fun filled day with lots of grade 8 energy. Our students were mature and positive role models as they introduced their future peers to many of the things Vic High has to offer.

We continue to focus on social justice and equity here at Vic High and especially in our Leadership program. Since May, we have planned and run initiatives in recognition of Asian Heritage Month, Pride Month, Juneteenth and National Indigenous People's Day. Leadership has organized informational bulletin boards, and bake sales to raise funds for these initiatives

As we wrap up another dynamic year, the Leadership teachers would like to acknowledge and thank the hard work and dedication of so many of our students. Without them, Vic High would not be the inclusive, eventful, and fun place it is for so many students. The work ethic, pride in their school, care for community and personal growth they have demonstrated this year is both inspiring and appreciated.

**On behalf of Student Leadership, we hope everyone has a wonderful summer!**

In April we celebrated The Blackout Poems from Natalie Munro's class and put them on display

Mrs. Brookes Composition 11 Class  
enjoying the sun while they silent read

On Thursday April 29 the students participated in the Pathways & Partnerships Career Fair! Over 1000 SD61 students attending and 150 Vic High Students

In May the Vic High Dance Company on their success at the Greater Victoria Performing Arts Festival. Not only did the dancers win a coveted spot in the Highlight Concert Gala, they also received a special plaque called the **"Inspirational Dancers Award"**. **Amazing work dancers!**

**Ms. Krich's Advanced & Intermediate Dancers performing at Quadra Village Days.**

**Quadra Village Days**

Dancers from the Intermediate & Advance classes with the GEMS put their dancing feet back out into the community May 13<sup>th</sup> for the

annual Quadra Village Days Celebration. A fun family-gathering event that includes entertainment, pancake breakfast, music, games, face-painting, cotton candy and many festive moments. Dancers performed choreography by our Vic High Alumna Sophia Harrington— “Jump” and “Old School”—and the GEMS performed choreography by our recent Vic High graduate Leika Suto. Another opportunity for Vic High to support their ever-growing community of families.

Leika is the recipient of the VHS Dance Choreography trophy for the 2022-23 year. Congratulations Leika.

**Greater Victoria Performing Arts Dance Festival**

Our Vic High Dance Dept participated in this

year's GVPA after an hiatus of 3 years. Dancers were inspired by the many dancers from the Saanich, Sooke and Victoria school districts & were champions in supporting the creative works of everyone. Congratulations VHS Dancers on your spirited dancing and gracious support to all the dancers and choreographers.

### GEM Dancers

The GEMS are a group of dancers that wanted to work independently and create works specific to their interests and level of dance. Led by Leika as the organizer, the group collaborated and rehearsed to produce new works throughout the year. The GEMS presented 3 pieces in this year's evening of dance. Thanks to Leika, Marley, Bella, John, Jared and Cat. And special thanks for showing me, Kerry, a beautiful send onstage at the Dunnet Theatre. You are a very special group of dancers.

### Advance Dancers

A small but hard-working class of Advance dancers kept on working right up to the very end of our school term. The challenge of learning new choreography from the CLi Faculty was a constant source of inspiration and bruises. The dancers engaged in multiple genres and never stopped challenging themselves. Congratulations to all our

Advance dancers---it was a super fun semester...Ms Kerry

Thank you to all those who attended and supported this year's Evening of Dance - 'Watch Me Move'! It was an excellent turn out and tremendous success. I am so proud of the dancers who all put an incredible amount of work into the show and truly left their hearts on the stage. Wishing everyone a happy and restful summer and I look forward to dancing with the students again next year!

Grace  
Leigh

Yoga for Mindfulness is an elective course where students learn breathing, meditation, grounding, and movement techniques to increase wellness and release stress. To celebrate the end of a wonderful semester of self-discovery, we went to Beacon Hill Park to try out some silly Goat Yoga!

Congrats to Vic High Grade 12 student Danya Elkhidir who has been named a 2023 Loran Scholar, an award that acknowledges character, service and leadership. This award is valued at up to \$100,000.

<https://www.timescolonist.com/island/our-community-victoria-student-earns-prestigious-loran-award-highland-games-return-6964429>

## Scholarships

Vic High graduates have once again secured an impressive number of scholarships and bursaries to support them in their post-secondary pursuits.

Thanks to the generous support of our community and the Alumni Association, Vic High proudly awards 60 scholarships — worth more than \$50,000 — directly to graduating students every year.

In addition to these scholarships, this year's grad class has won \$265,000 in school district and community bursaries as well as several post-secondary entrance scholarships. This includes two Beedie Luminary Scholarships awarded to Nyla Sproule and Amer Al Seabi and a Loran Scholarship awarded to Danya Elkhidir.

In total, 97 scholarships/bursaries have been presented to 54 different graduates, for a total of over \$315,000. This means that more than 25% of our 2022 graduates have received financial support for their post-secondary aspirations.

The staff at Vic High wishes all of our graduates all the best in their future pursuits. We know that you will make us proud.

**Ms. Adamschek's Foods 10 class  
and their Dutch Baby's (Puffed  
Pancake)**

**Ms. Adamschek's Foods 10 students honored Asian Heritage Month. This Chicken Lo Mein and California Roll lab was a delicious way to celebrate. Yum!**

Fantastic learning on display by grade 12 students at tonight's capstone showcase

Vic High students made some great memories at last Thursday's school 'decades' themed dance. Thank you to VHS leadership students for organizing! Photo credit: Roman. [#wearevichigh](https://www.instagram.com/wearevichigh)

**Ms. Finlyason's class had a great time bowling this morning!**

Such an incredible experience watching Señora McKay's Grade 10-12 Spanish students confidently converse with native speakers during Focus Block, truly showcasing their language skills and cultural understanding!

### Entrepreneurship 10-dollar challenge: Lemonade Stand Edition.

This morning we acknowledged and celebrated students at our annual Breakfast of Champions. Thank you to all the staff, students, and their family members who came together to recognize these amazing young people. [#wearevichigh](#)

Mr. Kosh and Ms. Hope's Composition 11 class hosted an Inquiry Fair this morning with impressive projects on display that showcased the creativity and knowledge of these talented students.

Today, Vic High students joined more than 80 students of colour from middle and high schools across SD61 for the first Student Forum on Inclusion and Anti-Racism. A special thank you to grade 12 student, Danya, for helping inspire, plan, and co-facilitate this incredible opportunity for student voice focused on informing positive change.

## Vic High Gladstone Update

A significant transformation is taking place at Victoria High School. Over the past six months, there has been extensive work on the school's interior and exterior. Crews are working hard to retain the heritage of the building while incorporating modern materials to bring the building into the 21st century. In this latest video tour, the project manager gives us a glimpse into how the old is meeting the new in the school's design.

VIDEO:

<https://www.youtube.com/watch?v=mwJ42XUSS3o>

For more background information and additional video tours, please visit: <https://www.sd61.bc.ca/.../vic-high-planning-for-the-future/>

Parker Aiken is heading to BCs after a 24 second personal best of 9:35.07 in the 3000m placing 3rd at islands!! Parker will move on to compete at the Provincial Championships. Congratulations to all of our Track and Field athletes on an amazing season. Special recognition to Parker, Phoenix, Lucinda, Margherita, Leo, Christian and Sasha for outstanding performances at Islands. Thank you to our coaches, Ms. Trumpy and Ms. Conklin!

Ms. Brooke's English First Peoples 11/12 class visited UVic and the First Peoples House!

**Toast! A heavyweight breakfast  
that packs a delicious punch!  
Every Tuesday and Thursday in  
the Main Foyer**

On June 1st we gathered to acknowledge and celebrate our incredible group of grads at the Indigenous Graduation Recognition Ceremony. Congrats Grads! We are so proud of you!!

**Vic High R&B band at the  
Oak Bay Tea Party**

The champs of Vic High Reads 2023! Mr. Sakiyama's Block D English 9s celebrating their win; they enjoyed a pizza lunch -- and most significantly -- kudos from peers and teachers for their entertaining video promo of *Limetown*, Vic High's 2023 Book of the Year. [#wearevichigh](https://twitter.com/wearevichigh) @vichighlibraryVic High Reads 2023

VICTORIA HIGH  **Battle of the Books**  
 READS **May 2023**

 **VH Book of the Year, 2022-23 & 1st place**  
 -- defended by English 9, Block D, Mr. Sakiyama

**2nd place**  
 -- defended by English 9, Block C, Mr. Sakiyama

**3rd place**  
 -- defended by English 10, Ms. O'Flynn

**runner-up** -- defended by Science 10, Ms. Bretherton

It was exciting to resume Vic High Reads this year, which involved classes choosing a book to read and defend from a long list of twelve quality contemporary fiction and non-fiction titles. A huge thank you to the *Times Colonist* Literacy Society who provided a generous

grant that made possible the purchases of book club sets.

Classes in the English, Social Studies, and Science Departments during semester 2 worked to prepare an engaging 2 ½ minute presentation to convince peers and teachers to vote for their book as Vic High’s Book of the Year. Congratulations to classes who earned the top votes – although everyone who participated was a winner!

### **Overdue/lost textbooks and library books**

**Please check overdue notices sent by email and attached to report cards and return or pay for lost resources. Large volumes of lost resources greatly impact the learning needs of next year’s students and teachers and often cannot be replaced.**

**After June 30, resources can be returned to the office, and lost materials can be paid for through our school accounts clerk in the main office. Thank you for your cooperation!**

### **Focus Block in Spanish and ELD**

Sra./Ms. McKay would like to thank the volunteers who came to her classes during Focus

Block to help with conversation. Thank you to **Iago** and **Carlos** for their regular presence in our Spanish classroom. My Spanish 10-12 students appreciated the opportunity to chat with native speakers. Thank you to **Felix**,

**Maya** and **Violet** for their regular visits with my ELD students during Focus Block. Conversation time with other Vic High students was one of their favourite activities! Any students interested in helping out in this way, please see Ms. McKay in room 212 in September. It’s a wonderful opportunity to share your culture and to learn about the culture of others.

Above: International and ELL students chatting with Felix.

Mr. Young's Anatomy and Physiology 12 class were having fun with urine this spring. Here are some students during the urinalysis lab where they analyzed urine from patients to uncover various medical conditions such as urinary tract infections, diabetes, and kidney disease (note: the urine was synthetic).

Congratulations to our incredible French Immersion students on a stellar Night of the Notables! Your passion for learning and dedication to the French language shone brightly as you showcased your remarkable talents. It was a truly memorable celebration of knowledge and growth. Bravo!

More from our incredible French Immersion students at our Night of the Notables!

Some of our students got together to add a splash of art to our elevator space! The 'Mural Project' aims to make riding the elevator a little less scary and bring some joy to people's day. Huge thanks to Atira, Durga, Violet, Maya, Molly, and Nyla for making it possible! [#wearevichigh](#)

Ms. Brooke's Literary Studies 11 students took a deep dive into the captivating world of classic literature. Their projects and presentations focused on the study of timeless novels.

On a Monday we celebrated our amazing International Student Program students who will be leaving Canada at the end of June. Your presence enriched our school community, and the memories we created together will forever be cherished. Wishing you success and happiness on your future journeys. [#wearevichigh](#) @studyinvictoria

Vic High students had a great time at today's cultural fair where students showcased and celebrated their cultures through food, traditional clothing, music, and sharing of information

This afternoon, Phoenix and Brian delivered an unforgettable performance as they went head-to-head in a thrilling sprint. Congratulations to Brian, the winner and undisputed champion.

Reside's Human Geography class learning at the @royalbcmuseum

Vic High recognizes National Indigenous Peoples Day. On this significant day, we gather

to acknowledge Indigenous Peoples with profound reverence and appreciation. We recognize the immense contributions of Indigenous Peoples, both within our school community and the larger community we belong to.

The Fashion Industry 12 students created some fabulous projects this term. Here are a few examples of their posters projects and various croquis challenges. Ms. Adamschek's Fashion Industry 12 class is open to all students in grades ten through twelve. Well done everyone.

Amber is one of our amazing Graduates this year. She took several Home Economics Textile and Fashion classes over her time here at Vic High and is a beloved member of our class. When she was away for a week earlier in the term the rest of her classmates took that time to create this beautiful quilt as a graduation surprise gift for her. The Textiles 11 and Textiles 12 students each created a 9-patchwork quilt top which we pieced together to make the larger quilt. Then the Fashion 12 students used safety pins to baste the layers together. Ms. Adamschek, the Textiles and Fashion teacher machine stitched it all together. We could not be happier to express our love of this wonderful student and for the opportunity to make something so meaningful together.

On June 21st and June 22nd  
 Two of Vic High's Foods 10 classes went on field trips to Save On Foods on Blanshard Street for year-end field trips. The purpose of the field trip was to go on a guided nutritional lecture tour given by the amazing Dietitian Ms. Jill Wallace Rn. To quote one of our grade nine students, "That was actually good." Ms. Adamschek conquers, we all learned a lot about nutrition and making smart consumer choices at the grocery store

On June 21st  
 Vic High's Textiles 11/12 and Fashion Industry 12 combo class went on a field trip to Gala Fabrics. It was a lovely time and everyone who attended increased their knowledge and

expertise about textiles, -including the teacher:)

Huge thank you to Penny and the staff at Gala Fabrics for letting us take over the store for an hour. We LOVED it. Special thanks to Caroline for the education and inspiration.

## Fairey Tech

This year our senior autobody students participated in the Pedal Car Challenge run by the Automotive Retailers Association. This project was primarily done by Fynn Migallo, with some help from other students in the class. The pedal car had to be modified in some way, and re-painted. Another project that was completed this year was painting a 1989 Toyota Supra. The students helped to prepare the car and paint it, as well as reassemble the car and detail it afterwards. The customers were happy with the end result!

**Dear Vic High Math Students and Parents/Guardians, particularly our incoming Grade 9 families**

As the academic year ends, we would like to extend our warmest wishes for a fantastic summer break filled with relaxation and rejuvenation. We hope that you have achieved remarkable success in your math studies this year and are excited to continue your mathematical journey when we reconvene in the fall.

While summer is a time for fun and exploration, it's also an excellent opportunity to reinforce and solidify your foundational math skills. We encourage you to take a little time each week to brush up on those fundamentals, ensuring that you start the new academic year on a strong footing. Remember, practice makes perfect, and dedicating a few moments to review key concepts will greatly benefit your math proficiency.

Multiplication and division are fundamental operations that form the building blocks of numerous mathematical concepts. Mastery of times tables and a solid understanding of these operations are crucial for success in higher-level mathematics. So, this summer, let's dive into these essential topics and strengthen our mathematical abilities.

Here are a few ways you can engage with multiplication and division over the summer:

**Online Resources:**

Explore various online platforms that offer interactive math games and quizzes specifically designed to improve multiplication and division skills. Websites like Khan Academy, Math Playground, and Coolmath Games offer

a wide range of educational activities that make learning math engaging and enjoyable.

**Flashcards:**

Create your own flashcards or utilize online flashcard tools to practice times tables. Regularly going through these flashcards will enhance your recall speed and accuracy, making mental math more efficient.

**Real-World Scenarios:**

Look for opportunities to apply multiplication and division in everyday situations. Whether you're baking, shopping, or sharing items with friends, challenge yourself to mentally calculate quantities, divide portions equally, or estimate costs based on unit prices.

**Summer Math Workbooks:**

Consider investing in summer math workbooks that focus on multiplication, division, and times tables. These resources often provide structured practice and can be an excellent tool for reinforcing your skills. Have a look at Mr. Herlaar's Website, [www.mrherlaar.weebly.com](http://www.mrherlaar.weebly.com) for an idea of what is to come.

Remember, the goal is not to spend hours each day studying math over the summer. Instead, aim for consistent and manageable practice that fits into your schedule. A few minutes each day or a dedicated weekly session will go a long way in maintaining your mathematical proficiency.

We would also like to take this opportunity to express our gratitude to all the students, parents, and staff members who have made this year a memorable and successful one. We applaud your dedication, resilience, and hard work, which have contributed to the growth and achievements of our Vic High Math community.

If you have any questions or need guidance on summer math resources, please feel free to reach out to us. We are here to support you even during the break.

Have a safe, enjoyable, and mathematically enriching summer! We look forward to seeing you back at Vic High Math in the fall, ready to take on new challenges and continue your mathematical journey.

Warm regards, Vic High Math Department
