#WEAREVICHIGH

Monday, June 24th, 2024

We acknowledge the Lekwungen-speaking peoples of the Esquimalt and Songhees First Nations on whose traditional territories we live, learn, and do our work

IN JUNE WE HAVE A FEW THINGS TO RECOGNIZE...

June is Filipino, Portuguese AND Italian Heritage Month. Use this month to acknowledge, celebrate, and raise awareness about the Filipino, Italian and Portuguese communities in Canada and their significantly valuable contributions throughout Canadian history.

As well, June is National Indigenous History Month in Canada. These are times to recognize the rich history, heritage, resilience and diversity of First Nations, Inuit and Métis. Their profound teachings and contributions have helped shape the Canada we know today, and it must not go unnoticed.

And lastly June is Pride Month! Pride Month commemorates years of struggle for civil rights and the ongoing pursuit of equality for the LGBTQ+ community, as well as the accomplishments of LGBTQ individuals. It serves as a reminder of how important respect and inclusivity is and that we contribute to it ensuring a safe and supportive place for everyone.
