LIBRARY NEWS

This month's reading theme is True Stories -- a huge display of true crime stories -- and smaller sub-displays of fascinating stories related to science, sports, history, and ordinary people who survived tremendous obstacles.

There is something of interest for everyone! Come by the library to check out these amazing reads!

Additionally, this week's reading theme is "They Changed the World." It's all about individuals, phenomena, and animals that were groundbreaking and transformative. Read about famous books, speeches, impactful teenagers -- and even pigeons!

JUNIOR GIRLS BASKETBALL

There are try outs on November and 9th after school. You must make at least one of these try outs to have the chance to make the team.

NOVEMBER 7 IS NATIONAL INUIT DAY

Tomorrow, we celebrate National Inuit day. This date was chosen by the ICC (Inuit Circumpolar Council) to celebrate Inuit culture and language. Fun fact- Did you know the word “Inuit” directly translates to the words “to the people”?

ARE YOU A CADET, GUIDE, OR SCOUT

Would you like to be part of the Vic High Colour Guard for the Remembrance Day ceremony next week? Please see Ms Gordon in the office before the end of the week.
